

Icky Doo Dah - Author Visit & Book Signing

Icky Doo Dah is the exciting new picture book by author and illustrator Simon Murray. A mischievous tale of a fun loving creature who loves to cause chaos and havoc on Copperpot Farm, yet somehow always seems to get away with it...

Throughout the series of five books, Icky's adventures are always landing him in mischief – from irritating Farmer Wiffy's pets to borrowing the Crown Jewels. On one occasion, he even gets baked in a cake! Parents and teachers often remark how the humorous story and bright illustrations capture the imaginations of even the reluctant reader.

Simon has been visiting schools for over 3 years now, where he actively promotes the link between illustration and writing through lively fun-packed workshops. Simon's visits often lead to class projects and impressive displays of the children's artwork. Schools are invited to exhibit their illustrations at www.ickydoodah.com
